

“GET ADDICTED TO SPORT VALUES”

Project Summary

“Get addicted to sport values” is an international project on the values of sport that involves 10 public and private entities/organizations (sports clubs/federations, NGO’s, schools and governmental institutions) from 5 countries. Financed by the European Commission in the framework of the Erasmus+ Sport Program, the project aims to promote and encourage integrity in sport, highlighting the fundamental role it has in the creation of solid values amongst youngsters and children.

Specific objectives:

- Encourage youngsters to adopt positive behaviors inspired by the values of equality and fair play, whilst simultaneously fighting against doping and match fixing
- Completing research to analyze and understand the points of view of youngsters and people that are involved in sport and education (parents, teachers, coaches)
- Develop new tools and methodologies to enhance the quality of sport education
- Highlight the negative health effects of doping, whilst promoting a healthy lifestyle
- Support the development of guidelines, recommendations and advice for institutions that work in the field of sport

TDM 2000 International, applicant organization, will organize and supervise all the project activities and will ensure the achievement of the expected results. All the 9 partners will cooperate with TDM 2000 International for the activities implementation:
